Thanks for retaining the same race numbers from the last race, please keep them for the next race as it makes the results production so much easier & quicker.

Apologies to Jayne Bell of Swaledale who appeared as somebody else in the results from the race at Ripon, she was 154th.

As you all probably know, there was a problem with the timing machine during the very first race at Harrogate on 25th April but I should be in a position to issue the results from this race in the very near future.

Could all those people who won trophies last season please bring them to the next race at Thirsk and hand them to me. We can then make sure they are available for the presentations after the handicap race at Otley.

Cheers

T. P. Inglehearn
