

HDSRL Race #2: Nidd Valley Road Runners - 4th June 2024, 7.30pm

NEW AND IMPROVED

Route

The race will be held in Ripley Village (HG3 3AY). Please arrive in good time to allow for parking and getting to the race start. The course is an 8km run from Ripley Castle to Hampsthwaite and back, and is held on quiet country roads, bridleways and footpaths. There may be a hill. Maybe.

Parking

Parking is available in the public and overflow car parks in Ripley. Please park as directed by marshals. We aim to remain on good terms with our neighbours in the village, so please avoid on-street and inconsiderate parking. There is a modest parking charge. If you don't pay, you risk a parking ticket which we will be unable to appeal on your behalf. Why not car share? Save the some pennies, save the planet and all of that.

Food

Food will be available after the event in Ripley Town Hall (HG3 3AX) which is a three minute minute walk from the car park and race start. The bar will be open.
